The orientation program is an opportunity for any student to learn, to navigate college campus and will introduce to College. In this academic year 2018-19, our college has organized three days Orientation programme, which was a useful tool to build a network of resources that will help students to start their academic journey in better manner on the right path.

This was formal welcome to the students and introduce to them with culture of the College & its campus! The major objective of the programme was to make the students aware of the academic aspects of the course, the rules and regulations of the Institute and ensuring parental participation in monitoring the performance and progress of the students.

Principal Dr. Jitendra Aherkar addressed the students. In his address, he said 'Smart work' and 'Consistency' are the two important factors for the success. Various sessions were included in Orientation from 18th June to 20th June 18 like grooming sessions for girls on Personality development, Entrepreneurial skills enhancement, Tips on Interview skills, Management skills and short films.

Everyone were then presented with a video of the college which gave a very comprehensive idea about philosophy of education, a glimpse into the various activities and facilities of the college along with the highlights of staff and student achievements.

Students were introduced to respective course coordinators & other faculty members; they were motivated to take active part in co-curricular & extracurricular activities. Overall, it was a fruitful and enriching experience for all, formally it was a beginning of this academic year 2018-19 with new hope & new energy.

ORIENTATION PROGRAMME

The orientation program for the newly admitted first-year students of the under-graduate and post-graduate programmes got organized on the 6th of July, 2019. Students got formally welcomed and introduced to the culture of the college, campus, and the university.

The orientation began with an inaugural ceremony at the college auditorium. The program started with a welcome note by the Principal, Dr. Jitendra Aherkar, addressing to the new members of the college. The students spent time interacting with one another and getting to know the faculty members, in a fun-filled environment. The session was supervised by Prof. Sonali Shiralkar, who also managed to present a brief presentation on the college. Student volunteers from the senior batches helped in successfully carrying out this activity. The students got briefed about the rules and regulations of the institution.

The Principal encouraged the students to be focused on academics. During the orientation, Organizational Development Consulting got carried out on the campus, wherein students got encouraged to set career goals for their future. In this event, senior students brought in video presentations, which had a large impact on the freshers. The coordinators from the different courses indulged in deep conversations with the students, to help them with their queries. Prof. Deepti Sadvelkar, Prof. Aruna Singham, Prof. Nikhil Mane, Prof. Shivani Mathur, Prof. Surya Prakash Singh, and Prof. Suraj Kumar Dubey, played an active role in the grand success of this event. This event intended to develop a sense of commitment, and responsibility for the overall development of the students.

Student Orientation Programme

An Online Orientation Programme organised In Loving Memory of Nirbhaya: A Tribute to Fearless Soul. We invited Senior Police Inspector Shashikant Mane and Police Sub Inspector Punam Migrane to encourage our college students to embrace the opportunities and tackle the challenges. The Orientation Programme is an opportunity for any student to learn and to navigate college campus. The programme is a useful tool to build a network of resources that will help students to start their academic journey in better manner on the right path.

The poster features the college logo at the top center, followed by the text: "MKLM's B.L. Amlani College of Commerce and Economics M.R. Nathwani College of Arts Orientation Programme".
