

Visit to Monetary Museum - BBI Department Visit

To inculcate the knowledge of economy prevailing in the country, our college conducted an excursion for FYBBI and SYBBI girls to monetary museum on 24th January. The students were enthusiastic to learn history of Indian economy.

Money is an intrinsic component of the cultural heritage of a country mirroring its socio-economic history. India was one of the earliest issuers of coinage in the world and has been home to many-a-monetary experiment recorded in history.

Monetary museum aims to spread awareness about how currency is managed in India, the transformation of coins and currency and the features of the contemporary Mahatma Gandhi series of notes. RBI Monetary Museum aims at documenting and preserving this heritage.

The Museum proposes to put in place permanent, temporary and itinerant exhibits of the representative coinage of India, paper currency, gold bars as well as financial instruments and curiosities down the ages. It also aims at stimulating research and study on the evolution of money around the Indian Ocean Rim and disseminating information to the Public about currency & finance.

They students also got to know various security features on notes, various instruments of monetary and fiscal policy, how they work to boost economy and role of RBI as a governing body. At the end, the students get an in depth standing of the currency, which know the aspects of

(Micro Small & Medium Industries)- BMS Departmental Visit

budget and scheme like - Mudra Scheme, etc. MSME-Development Institute, Mumbai was established in the year 1954 as Small Industries Service Institute, Mumbai. In the year 1960, it was shifted to its own premises at Sakinaka, Mumbai. The MSME-DI, Mumbai (erstwhile SISI, Mumbai) Building was inaugurated on 17.04.1960 by Honourable Shri S. K. Wankhede, the then Minister of Industry, Govt. of Maharashtra.

On 29th January, the BMS department of our college had attended the event which was held at MSME, Sakinaka. Prof. Sonali Shiralkar, co-ordinator of BMS encouraged everyone to attend the event.

The event was all based on how MSME Department helps to start a new business with the guidelines of finance, marketing and plantation sector. The MSME located in three different region their THE DELHI, MUMBAI & NAGPUR where it is disturbed in 1000 of branch all over.

The started at 12pm where the Mr. Sanjay Kumar, assistant Director-(EI), Ministry of MSME, Government of India, was leading the event. The event was all about women Entrepreneurship development, how women can start their business with help of MSME and various schemes for the same. Sir explained students about each and every aspect our business with different ideas and thoughts & detail related to the financial

MSME Department work was explained with the help of Power point presentation so that, all the student have a clear image of that content & benefits of finance scheme specially about women scheme where the women can easy start her own business.

Industrial Visit

The college had arranged an Industrial visit for the students to Manali-Dharamshala-Amritsar between the dates 14th January to 23rd January. The first day all the students were asked to assemble at the station. From the station, the students and the teachers proceeded towards the much awaited destination. This trip was very useful for students as they learned a lot of important things during their visit to numerous industries and factories. They learnt about the manufacturing of shawls and woollen fabrics.

The girls understood the process of how these woollen fabrics were made. This definitely extended their knowledge. It was a ten days trip which was full of memories and good times. The students were thrilled at the experience and cherished each and every moment of the trip as they enjoyed every moment because they learned a lot of skills and new things which allowed them to experience new things.

PEARL ACADEMY VISIT

Pearl Academy was set up in Mumbai in 2014 with well-equipped labs for media, fashion and interiors. 'Industry-in-the-classroom' approach combined with unrivalled international exposure ensures a world class learning experience for the students.

Students visited Pearl Academy on 15th February 2019; They experienced practical knowledge of fashion, journalism, media, designing, fashion & photography. It was an enriching experience for all the students; especially for the students mass media pursuing. Students have chosen their preferences; as per their career choices and passion in the respective fields and have gained knowledge enthusiastically in Pearl Academy.

The core Purpose of this visit was to achieve Creative Arts Education, professional services associated with this education and training in the field of Design, Fashion, Media and Business by adhering to the International Standards,

INDUSTRIAL VISIT REPORT

To add value to the curriculum; our College had organized an Industrial Visit -a study tour for the students to a Winery in GOA from 16th February, 2019- 20th February, 2019. The students were taken on the study tour to reinforce the classroom teachings and to give them a first-hand experience of the wine making process and other relevant operations.

At the Winery, they were able to see and experience the vineyards, the different types of grapes grown there and the machinery and equipment used for making wine.

They were explained the methodology of making wines in detail by the experts at the winery and administrative work. A wine tasting session was also conducted and the students were explained how to taste a wine and the different criteria by which to rate a wine. Wine has always been popular in Europe and other parts of the world and is now becoming a popular drink in India. The climate and soil of the GOA region is very conducive to the growth of vines. Some of the wines produced here have attained international fame and have won international awards. The students were very happy with their experience and returned with a better knowledge and understanding of wines and Business processing & other strategies of industry.

With Industrial visit students enjoyed Goa, as they visited Baga beach, various sports activities in sea, wonderful churches; they experienced beautiful evening on Cruize. Students had an interactive session with foreigners, DG party for enjoyment and unique shopping- which included antique ornaments and decorative material and obviously Goan sweets, cashew. Over all it was a memorable journey for everyone with enriching experience.

A VISIT TO THE BISLERI FACTORY

Bisleri has conquered the Indian market with a huge product collection in terms of packaged drinking water for over two decades. Today, it not only dominates the Indian market but has also reached out to overseas, with its 103 plants across India and neighbouring countries. The green capped bottle is found in almost every store in India. Bisleri is considered to be the best because Bisleri has established a unique, highly reliable Double Ozonisation Process. Ozone is at least 50 times more powerful and 3000 times faster than chlorination to kill bacteria and other microbes. Thereafter, it goes through the sand filtration where many solid impurities are drained away. Such unique procedures opted by Bisleri has contributed to its immense popularity amongst the masses. A visit to Bisleri International, Andheri (East) was organized for the F.Y, S.Y. and T.Y. B.M.S. students to understand the technicalities of running a business successfully since the past two decades. At the Bisleri factory, the first session started off with a PowerPoint presentation in which the History of Bisleri, Advertisements of the Bisleri, reuse of plastic bottles and Corporate videos were shown to the students.

The session was followed by an interaction between the students and the Bisleri staff. In the second session, a visit to the Bisleri Factory was organized. Firstly, plastic caps and boots were distributed to the students.

The students were shown the process of water purification, filling of water in the bottles, closing of bottles, labelling, and the assembling process; which were very informative for the students. At the end, the visit ended with certificates and gift hampers being handed out by the company to the students.

JIO STUDIO- BMM VISIT

On the 22nd of January, 2020; the students of MKLM'S B. L. Amlani College, Mumbai, visited the Reliance Jio Office and Studios at BKC. Students were introduced to the venue by Mr. ZenilDumasaya, who is part of the Celebrity Management Department. After the short introduction, students were taken from one department to another department around the office space.

They started with Mr.Vinod's office, the Senior Editor, who has been involved in the editing of many famous campaigns like the Mumbai Indians, IPL team advertising campaign and the HBO premiere of Tom Cruise film, Mission Impossible. When asked, he informed the students about the software of his choice- Adobe Premiere Pro. Later, he also introduced the students to the Reliance's very own music library- Big Bang Music. The students then headed to the Colour Grading Department where they met the heads of the department - Simran and Johnson. The students were introduced to what Colour Grading is and how widely it is used. "Creating emotions with colours", this was how Mr.Johnson defined colour grading. He said that his software of choice was DaVinci Resolve. Moving on, the students met the GoPro Editor of Reliance, Mr.Prashant and the Promotional Advertisement Editor, Mr. Mandar Pradhan, who has played a significant role in the famous Jio Dandana dan advertisement campaign.

Later, the students were taken to the multiple computer graphics department. Six people managed this department. Each one's choice of software ranged from Adobe After Effects to Photoshop to Final Cut Pro. This department played one of the most important roles in the advertisement campaign of IPL and Pro- Kabaddi. After this, the students moved ahead to the Motion Graphics Department where they met Mr. Niklesh, who showed them the ongoing process of the Balaji advertisement he was working on. The students then visited the AR/VR Department where they met Mr. Pravin who is the head of the AR/VR Department. He showed them a few video games he made for the promotion of the IPL games and the Bajirao Mastani game. He introduced the students to the latest VR and AR technology and even let them experience it. The AR/VR Department was a crowd pleaser and the students enjoyed it thoroughly.

The students were then given a short break and then they headed towards the filming studios where they saw the studio set up of Reliance Jio's TV program, Kiska Brand Bajega which airs on CNBV TV 18. The students asked a few questions about the doubts they had after exploring the studio after which the visit concluded.

Visit to Securities and Exchange Board of India

On 21st March, 2022 the college visited to Securities and Exchange Board of India (SEBI) Bhavan which is located at Bandra Kurla Complex (BKC), Mumbai along with 50 students of Bachelor of Accounting and Finance . Prof. Shantaram M. Ayyar has initiated to lead the students for their better enlightenment. The lecture was conducted by P.T.Rajan where he explained the evolution and essentiality of SEBI in Indian Share Market since 1991 and the policies, authorities, duties allotted to SEBI along with their functional regular and manner of conducting SEBI Work on daily basis. They provided some techniques to invest in 'Share Market' and to gain prosperity with balancing risk factor. Students been told to note down the lecture for their future reference. The lecture went for two hours. Optimistic feedback earned from the students regarding the same.
