

Joy of Giving

Our college firmly believes in the concept of uplifting the less fortunate. The college had organised the "joy of giving" activity was conducted under DLLE department. The teachers requested the students to donate generously towards the needy and the poor children. We received a large amount of donations in food, toys, books and bags. All the students took an active part in contributing towards the adivasi children located at the adivasi village in Vasai. The village children were more than delighted to receive bountiful of presents.

Moreover, this was an experience which we cherished because we were shown their way of teaching and grooming the students. The children welcomed us with a welcome song, also recited poetry's as taught to them by their teachers. It was beautiful to see that the small children from such backgrounds have immense talent. Needless to say, the joy of giving activity was a blissful one. This was done in order to contribute to the adivasi school children for the festive fun.

MKLM 2018-19

KERALA FLOOD RELIEF FUND

Recently one of the worst floods have hit Kerala in decades. Owing to copious rainfall that started on 8th August, 2018, all the dams of the state were filled to capacity. The gates had to be opened to keep the dams safe. The incessant rains further deteriorated the flood situation. Approximately 370 people have died in the floods so far. Thousands of homes have been affected and damaged. More than a million people had to take shelter in relief camps. Normal life has come to a standstill. It will take many months of hard-work to bring life to normalcy in Kerala.

The entire nation has come forward to lend a helping hand to the Kerala flood victims. Central Government, State Governments, Union Territories, Multi National Corporations, Big Business Houses, Celebrities, Sportsmen and women, schools, colleges, and common people have contributed to Kerala's Chief Minister's Relief Fund generously. Even the help from foreign countries is pouring in. It will take many months of hard-work to bring life to normalcy in Kerala.

Our college also contributed towards the relief of Kerala floods. Students from the college went to Clara's college of commerce for supporting them in the rally conducted by them. They went around the entire versova area in order to gather offerings for the victims in cash and kind. Our students collected a decent amount which went for the betterment of the flood victims.

CLEAN-A-THON: BEACH CLEANING ACTIVITY

Cleaning the beach improves the coastal and ocean ecosystem by making sure that none of the trash kills marine life or is toxic enough to disrupt the marine life cycle. A beach clean up is also an opportunity to gather fresh data about the state of our coasts and the types of trash that pollutes them. Rajani Foundation India has always been active in social contributions. This year, B.L.Amlani College and Rajani Foundation had taken up an initiative to save the environment by taking “Zero plastic movements and beach cleaning drive” on the 30th of August, 2019 and the 8th of September, 2019.

Poster making competition was organized at the school level, junior college and degree college level on the 30th of August, 2019. Finally, on the 8th of September, 2019, the beach cleaning drive was organized. In Ganapati Visarjan, a huge number of idols get immersed in the sea, and as a repercussion, the beaches across Mumbai get heavily polluted. An enthusiastic bunch of students cleaned up an entire stretch of Juhu beach, Mumbai. Moreover, they had also invited other citizens to participate in the clean-up drive.

Later, everyone present wereenlightened on the feasibility of the use of non-plaster Paris idols or Eco-friendly idols. Though, it was shocking to find that despite the ban on plastic usage in Maharashtra, plastic products were found on the beach. Thermocol is also one of the decorative materials which contributed to massive pollution. It was observed that still, work needs to be done for a better future and environmental sustainability.

MEMORANDUM OF UNDERSTANDING

Between

National Institute of Disaster Management, India

&

**B.L. Amlani College of Commerce & Economics M.R.
Nathwani College of Arts, India**

National Institute of Disaster Management is a statutory organization under the Ministry of Home Affairs, Government of India, mandated under the Disaster Management Act 2005 to be the apex institution with a vision to play the role of a premier institute in India and the region for capacity building, training, research, documentation and policy advocacy on all areas of disaster management in India. The efforts in this direction that began with the formation of the National Centre for Disaster Management (NCDM) in 1995 gained impetus with its re-designation as the National Institute of Disaster Management (NIDM) for training and capacity development. Under the Disaster Management Act 2005, NIDM has been assigned nodal responsibilities for human resource development, capacity building, training, research, documentation and policy advocacy in the field of disaster management. NIDM has established networking with a large number of scientific, technical, academic, training and practicing organizations within and outside the governments at the local, provincial, national, regional and international levels for effective implementation of its mandate. The institute works through strategic partnerships with various ministries and departments of the central, state and local governments, academic, research and technical organizations in India and abroad and other bi-lateral and multi-lateral international agencies. The Institute provides training in face-to-face, on-line and self-learning mode as well as satellite based training. In-house and off-campus face-to-face training to the officials of the state governments is provided free of charge including boarding and lodging facilities.

B. L. Amlani College of Commerce & Economics and M. R. Nathwani College of Arts, was established in the year 2009 under the banner of Matushri Kanbai, Lalbai & Motibai Lohana Kanyashala & Balikagruh (MKLM) formed in 1906 in the Juhu area of suburban Vile-Parle. The College is affiliated to the University of Mumbai and is one of the only girl's college offering quality Professional Degree Education in Mumbai. Its mission is to empower women by providing them with a conducive environment for acquiring professional skills, through an education that is life and career oriented value-based and creative in the pursuit of excellence. BLAC offers a wide spectrum of choices for the students to choose undergraduate programmes in various disciplines of arts, commerce, science, management, Banking, and mass media. The institution mainly encourages a dialogue on youth development issues and concerns. During the Pandemic crises the college hosted more than 100 Webinars along with Government Bodies, Universities and NGOs to enhance the spirit of socialism in the community. The

institution aims at the holistic development of women, by providing learning opportunities to empower her with knowledge, skills and attitudes, to face personal and professional challenges with confidence, inculcating values of respect, commitment and concern for the service of others, thereby enabling her to make a positive contribution to the society. The institution also received Best Extension Unit Award for excellence in Community services from Department of lifelong learning and Extension, University of Mumbai during the academic year 20-21.

WHEREAS, it is the statutory object of the B.L.Amlani College of Commerce to disseminate and advance knowledge by providing instructional, research and extension facilities in such branches of learning as it may deem fit and shall endeavor to provide to students and teachers the necessary atmosphere and facilities for the promotion of:-

- (a) Innovations in education leading to re-structuring of courses, new methods of teaching and learning and integral development of personality.
- (b) Studies in various disciplines
- (c) Inter disciplinary studies
- (d) National Integration, secularism and international understanding.
- (e) Research, Seminars, Workshops and standardization of curriculum on Disaster Risk Reduction under IUIN-DRR

Whereas both NIDM and B.L.Amlani College of Commerce have common overall objectives, and similar scope of activities with potentially complementary methodologies. Therefore

SCOPE AND AIM OF COOPERATION

Considering the direction of Hon'ble Prime Minister of India's 10 point and 6 agenda, Global issues on Climate Change Adaptation (CCA), Sendai Framework for Disaster Risk Reduction(2015-2030), and Sustainable Development Goals(SDG) it's become important to partnering with Higher Education Institutions (HEI), Universities and other science and technology communities which have been envisioned for promoting innovative technology and research, facilitate capacity development, and contribute to decision-making for addressing local risks and the needs of the most vulnerable. To address important issues there is need to work together for the two organizations in the following broad goals:

- Awarding academic & professional training related on/off line degree/diplomas/certificates jointly.
- Capacity building activities for mainstreaming disaster risk reduction as part of training courses.
- Development and strengthen the course curriculum on Disaster Risk Management at University/college level.
- Undertaking case studies of disasters/events with respect to response, relief, rehabilitation, recovery on field investigation.
- To collaborate for documentation / evaluation studies for various thematic areas jointly.
- Undertaking research projects of mutual interest to both institutions.
- Faculty exchange programme to strengthen the programme for DRR.
- Logistics & Human resource support for organizing seminar, research, training programme ON/OFF line jointly
- To take up fellowship programmes jointly with, where NIDM faculty can be included as co-guides.
- Publications of joint articles/journals/monographs/books, educational/awareness materials etc.
- Taking up design /consultancy/pilot projects in the area of disaster management on mutually agreeable terms and conditions.
- Capacity building of governments and other stakeholders and facilitating interpretation of continually updated tools and methodology based on emerging lessons from the ground and delivering training modules to government officers /other relevant stakeholders in the country and in South Asia region.
- Conducting and supporting consultation, conferences, workshops, knowledge and experience sharing.
- Any other areas of mutual interest shall be undertaken.

Status of the Agreement

1. The provision of this MoU may be amended at any time with the mutual consent of the parties in writing.
2. The amendment, termination and expiration of this MoU will not affect the Terms of activities ongoing formal project agreements at the time of amendment, termination and expiration unless otherwise agreed between the parties.
3. The Agreement between the two parties, viz. NIDM and B.L.Amlani College of Commerce has no legal binding and financial commitments on any of the parties. The Agreement is for general purpose on the above mentioned scope of areas of cooperation.

This MoU is prepared in two identical copies. Each party holds one original copy duly signed by the NIDM and B.L.Amlani College of Commerce.

IN WITNESS WHERE OF the Parties here to acting through their duly authorized representatives have executed this Memorandum in their respective names on dates herein after mentioned.
