

## One-Day Basic Training Programme on Women Rights sponsored by National Human Rights Commission, New Delhi

On 23rd December, 2021 the College hosted offline One-Day Basic Training Programme on Women Rights sponsored by National Human Rights Commission, New Delhi for Youth at 9.30am. The seminar was inaugurated with welcome address by our muse Principal Dr. Jitendra Aherkar. In his welcome note he thanked National Human Rights Commission, New Delhi for supporting the institution with financial assistance and also welcomed the Chief Guest and Guest of Honour to speak on the relevant topic.

The Chief Guest the effulgent personality PSI. Punam Mirgane, Juhu Police Station, In-charge- Nirbahya Cell graced the seminar with her presence. She stated that National Human Rights Commission is playing vital role in capacity building programme and in pandemic crises also they are doing number of programmes for human rights. She also highlighted that Gender equality means a society in where in both women and men enjoy the same opportunities, rights and obligations in different spheres of life. Equality in decision making, economic and social freedom, equal access to education and right to practice an occupation of one's choice. In order to promote gender equality, we need the empowerment of women, and concentrate on areas which are most crucial to her well being. Women's empowerment, economic, social, political, is vital to growth of any nation and to protect and nurture human rights.

The Session begin by Guest of Honour Dr. Rajeshri Varhadi Professor, Department of Law, University of Mumbai She stated about the Constitutional Provisions such as (i)freedom of speech and expression, (ii) Freedom to assemble peacefully

## WORKSHOP ON - DIGITAL LITERACY FOR WOMEN

B. L. Amlani College of Commerce and Economics & M. R. Nathwani College of Arts in collaboration with The State Commission for Women organized a workshop on “Digital literacy for women” on the 13th of January, 2020.

The State Commission for Women works towards enabling women to achieve equality and encourages equal participation in all spheres of life by securing a woman's due rights and entitlements through “Digital literacy”. Emphasis got laid upon devising strategies for the solution of specific problems arising out of discrimination and atrocities against women.

The college had arranged this seminar for the empowerment of students, in specific, taking into consideration the college girls. The inaugural session started with the lighting of the lamp ceremony. Ms. Rupali Kapse, Trainer: Maharashtra State Commission for Women inaugurated the session.

After the inaugural, the Principal welcomed the huge and enthusiastic gathering. Ms. Rupali Kapse enlightened the students on the importance of digital literacy for women. The training focused on different government websites and schemes launched for benefitting women. Various Government Programs got explained viz., Tejaswini Scheme, Digital Locker, Ujjawala Scheme, BetiBachaoBetiPadhao, Sabla Scheme, Mahila E-Haat, etc. The purpose of letting know the students of the new advancements in society to protect and promote their rights were achieved through this workshop.

Chairman, Adv. Mahendra K Ghelani, a strong supporter of digital literacy and Principal, Dr. Jitendra Aherkar, provided an insight into the current scenario before the winding up of the immensely worth event.

## TREE PLANTATION DRIVE AND RALLY

Environment and trees help in saving the earth from global warming. Trees help fight climate change because as trees grow, they help stop climate change by removing carbon dioxide from the air, storing carbon in the trees and soil, and releasing oxygen into the atmosphere. The college had actively taken an initiative to enlighten its students on the significance of trees in reducing the ongoing negative impacts of global warming. The main intent was to instill in the young minds, the need for collective efforts to protect the earth as a whole.

The college had actively participated in a Mass Tree Plantation Drive on the 3rd of July, 2019. A rally got held to create awareness amongst the people about the importance of trees. NSS teams and DLLE teams from many colleges got actively involved in the same. Around a hundred students and ten faculty members from the college had joined in to extend their support. The guests spoke about the importance of saving the earth for the sake of future generations.

After the vote of thanks, the programme came to an end. Thereafter, all the children and staff members went ahead to plant the saplings in the already prepared pits. This activity got the consideration of being a very indispensable, energetic, and important activity, carried out by the college.

### KERALA FLOOD RELIEF FUND

Recently one of the worst floods have hit Kerala in decades. Owing to copious rainfall that started on 8<sup>th</sup> August, 2018, all the dams of the state were filled to capacity. The gates had to be opened to keep the dams safe. The incessant rains further deteriorated the flood situation. Approximately 370 people have died in the floods so far. Thousands of homes have been affected and damaged. More than a million people had to take shelter in relief camps. Normal life has come to a standstill. It will take many months of hard-work to bring life to normalcy in Kerala.

The entire nation has come forward to lend a helping hand to the Kerala flood victims. Central Government, State Governments, Union Territories, Multi National Corporations, Big Business Houses, Celebrities, Sportsmen and women, schools, colleges, and common people have contributed to Kerala's Chief Minister's Relief Fund generously. Even the help from foreign countries is pouring in. It will take many months of hard-work to bring life to normalcy in Kerala.

Our college also contributed towards the relief of Kerala floods. Students from the college went to Clara's college of commerce for supporting them in the rally conducted by them. They went around the entire versova area in order to gather offerings for the victims in cash and kind. Our students collected a decent amount which went for the betterment of the flood victims.

### “MUMBAI KI HODI”

In a bid to create awareness among citizens about the traffic safety rules, DLLE unit of B. L. Amlani college, has conducted an awareness drive know as “Mumbai Ki Hodi” on traffic rules for the citizens of Vile parle - Juhu, Mumbai - on 7<sup>th</sup> September, 2018.

Our Boat sailed from our College collecting messages from inmates in nearby vicinity meeting everyone across and spreading the message of Traffic Rules. Met Traffic Cop who appreciated our efforts, stop Rickshaw Wala from breaking Traffic Rules, even motivated Bus Driver, used Zebra Crossing and made others to use the same. Student's participation made this event a successful one.

The objective of the initiative is to sensitize the citizens; about the importance of adherence to a slew of road safety rules and Traffic signals in order to avoid accidents and secure long life. Active participation of all the students made this event a grand success.

## Gender Sensitization Workshop

Even in the 21<sup>st</sup> century, women have not been given enough opportunities to feel empowered or independent. There are many young girls even today, who are scared to ask their basic rights. After observing this, our college principal decided to bring in awareness starting with the students of our college. Thus, our college conducted a Gender Sensitization programme with "Population First". Population first is a Mumbai based NGO, since its inception in 2002, this organisation has worked tirelessly to bring empowerment to women who comprise of the 50% of the population. The Laadli initiative is supported by UNFPA and sensitizes media professionals and media students about women rights. This was a two day workshop conducted on the 22<sup>nd</sup> and 23<sup>rd</sup> of September and the students were taught about various rights for women. They were also asked to perform some activities. There was a question and answer round which enabled students to clear their doubts about the subject. On the second day of workshop students were shown few short films which displayed various crisis and problems faced by women. There was a play which was shown and they were asked to perform on the spot plays to see how much knowledge the girls have gained from the workshop. The students were provided with light refreshments and lunch on both the days. This was indeed a fun filled experience
