Presidents' Address

Adv. Shri. Mahendra K Ghelani

Matushri Kanbai Lalbai & Motibai Lohana Kanyashala & Balikaghruha strongly believe that every student is a unique person with her own set of abilities, needs and aspirations. Our college is women's college affiliated to University of Mumbai.

We are proud to be a diverse, women or girls student-centered, institution offering a high-value education. We are proud that what we do for Women empowerment matters. We are committed to bring out that uniqueness. We know that we transform and change lives.

Besides academic excellence in the areas of finance, accounts, management commerce, business education, arts and Mass media; we are committed to inculcate in all its students, strong ethical values of integrity, politeness, kindness and respect for elders.

We firmly believe that education should foster confidence, discipline, clarity in thought and decision-making ability to set and achieve goals, and above all, social responsibility as a life-long process. All the students should be self-dependent with employment opportunities, for which our students are groomed to think out of the box and engulf articulation, innovation and team work.

The MKLM is committed to utilize the changing learning patterns with changes in the methods of instruction coupled with technological advancements, to create an educational experience that will influence the all-round development of students and uphold our commitment towards nation building.

“THE MIND IS NOT A VESSEL TO BE FILLED, BUT A FIRE TO BE KINDLED.” SAID PLUTARCH.

OUR COLLEGE MAGAZINE KINDLES THE IMAGINATION OF OUR LEARNERS. CRADLED IN THE LAP OF NATURE ON THE ONE HAND AND ARCHEOLOGICAL EDIFICE ON THE OTHER, SWAYING FROM SERIOUS THINKING TO PLAYFUL INVENTIVENESS, AROUND EIGHT HUNDRED FIFTY WOMEN STUDENTS AT OUR COLLEGE FOR WOMEN ARE BRIMMING WITH A ZEAL FOR LIFE EMPOWERING THEMSELVES WITH SKILLS AND CREATIVITY.

I CONGRATULATE THE STAFF AND STUDENTS OF ALL FACULTIES WHO USED VARIOUS MEDIUMS OF EXPRESSION TO PRESENT THEIR IDEAS. AS LONG AS OUR IDEAS ARE EXPRESSED AND THOUGHTS KINDLED WE CAN BE SURE OF LEARNING, AS EVERYTHING BEGINS WITH AN IDEA. I APPRECIATE EVERY STUDENT WHO SHARED THE JOY OF PARTICIPATION IN CO-CURRICULAR AND EXTRACURRICULAR ACTIVITIES ALONG WITH THEIR COMMITMENT TO CURRICULUM.

THAT LITTLE EXTRA WE DO, IS THE ICING ON THE CAKE. ‘DO MORE THAN BELONG – PARTICIPATE. DO MORE THAN CARE – HELP. DO MORE THAN BELIEVE – PRACTICE. DO MORE THAN BE FAIR – BE KIND. DO MORE THAN FORGIVE – FORGET. DO MORE THAN DREAM – WORK.’

YOGA DAY CELEBRATION

“All this bringing of the mind into a higher state of vibration is included in one word in YOGA.”

-Swami Vivekananda

The Theme for International Yoga Day 2019 was “Climate Action”. Yoga is said to have an inner awakening experience, as it’s an ancient physical, mental, and spiritual practice that had originated from India. The word ‘yoga’ gets derived from Sanskrit, and means to join or to unite, symbolizing the union of body and consciousness. “Vishva Yoga Divas- WORLD YOGA DAY” got its declaration to be celebrated on June 21st, since its inception in 2015. The day got picked, on the pretext of it being the longest day of the calendar year. The said day gets connected, with sun, light, and nature.

Owing to all these factors, the college had celebrated the “International Yoga Day” on 21 st of June 2019. All the participants and teachers had assembled in the Ishwar Vijay Hall to celebrate The Yoga Day. It was ensured that the practice session got conducted in the most conducive manner to accommodate the beginner participants present.

Faculties described the usefulness of Meditation, Pranayamas, Asanas, and Yoga Nidra for not only the overall well-being of a human being but also as a precautionary measure, in curing many diseases. Yoga develops strength, concentration, and inner peace. Audiovisuals highlighting the importance of yoga provided an impetus to the event. Moreover, the active participation of students had made the event successful.

SEMINAR ON GST

The Goods and Service Tax (GST) gets the consideration of being an elixir, which can cure all the existing irregularities and complexities in the indirect taxation system of the country. Goods and Services Tax, has been identified as one of the most important tax reforms post-independence. This makes it a topic of utmost importance for the students. Keeping into consideration, its importance, the college had organized a seminar on GST, in collaboration with the Board of Studies, Accountancy Department- University of Mumbai, and Institute of Chartered Accountants of India. The seminar got successfully delivered by the renowned Chartered Accountant, PinkiKedia. Dr. Anupama Gawde, Member of Board of Studies, Department of Accountancy, got invited as the Guest of Honour for the event. The seminar commenced with a welcome note by the Principal, Dr. Jitendra Aherkar.

The seminar provided its attendees with a better understanding of the key areas of GST and its impact on the businesses. It also helped in understanding the different scenarios for the design, and application of GST, and to know the track policy development related to GST. The seminar provided a common platform conducive for a productive discussion on GST. The attendees of the seminar got familiarized with the new taxation system, thus fulfilling the whole purpose of the seminar.

DLLE- FIRST TERM TRAINING

The Department of Lifelong Learning and Extension (DLLE) got established on October 12, 1978, and has been recognized as a Statutory Department of the University of Mumbai since 1994. DLLE promotes a meaningful and sustained rapport between the universities and the community as a whole.

The First Term Training Program of Extension Work Project got held on the 9th of July 2019, at the college. It had witnessed the participation of around two-hundred extension work teachers and student managers from various colleges. Notable guests invited included, Dr. Sujata Dhopte, Dr. SulabhaRaoraneMandam, and Dr. Pooja Ramchandani. All the six projects of DLLE were explained in detail while the Principal, Dr. Jitendra Aherkar, explained the importance of DLLE work activities and the significance of additional certification courses for a better future of the students.

Students got encouraged to enroll for the Extension Work Projects, who may then opt to indulge in various activities increasing the social awareness, based on various relevant issues of the society, such as, Save the Girl Child, Pollution Control, Global Warming, Environment, Tree Plantation, Waste Management and many more such topics. Students got an opportunity to express on the said topics through, rallies, street plays, poster making, surveys, and elocutions. Faculties and student managers got approached, which led to a plan of action that was prepared, on how other programs for the DLLE can be organized, and annexure fulfillment could be done.

Mr. Suraj Shetty of Amba Gopal's Foundation shed some light on the importance of organic farming. The students got encouraged to participate in organic farming related awareness campaigns. Dr. Madhavi from SNDT University explained about a platform which conducts skill development activities. Mr. Vinay Kumar, a strong supporter of DLLE initiatives also helped the students to understand better. The programme ended with a vote of thanks, by Prof. SonaliShiralkar. The training programme helped in deciding the future path for DLLE, 2019-20 work activities.

TREE PLANTATION DRIVE AND RALLY

Environment and trees help in saving the earth from global warming. Trees help fight climate change because as trees grow, they help stop climate change by removing carbon dioxide from the air, storing carbon in the trees and soil, and releasing oxygen into the atmosphere. The college had actively taken an initiative to enlighten its students on the significance of trees in reducing the ongoing negative impacts of global warming. The main intent was to instill in the young minds, the need for collective efforts to protect the earth as a whole.

The college had actively participated in a Mass Tree Plantation Drive on the 3rd of July, 2019. A rally got held to create awareness amongst the people about the importance of trees. NSS teams and DLLE teams from many colleges got actively involved in the same. Around a hundred students and ten faculty members from the college had joined in to extend their support. The guests spoke about the importance of saving the earth for the sake of future generations.

After the vote of thanks, the programme came to an end. Thereafter, all the children and staff members went ahead to plant the saplings in the already prepared pits. This activity got the consideration of being a very indispensable, energetic, and important activity, carried out by the college.

ORIENTATION PROGRAMME

The orientation program for the newly admitted first-year students of the under-graduate and post-graduate programmes got organized on the 6th of July, 2019. Students got formally welcomed and introduced to the culture of the college, campus, and the university.

The orientation began with an inaugural ceremony at the college auditorium. The program started with a welcome note by the Principal, Dr. Jitendra Aherkar, addressing to the new members of the college. The students spent time interacting with one another and getting to know the faculty members, in a fun-filled environment. The session was supervised by Prof. Sonali Shiralkar, who also managed to present a brief presentation on the college. Student volunteers from the senior batches helped in successfully carrying out this activity. The students got briefed about the rules and regulations of the institution.

The Principal encouraged the students to be focused on academics. During the orientation, Organizational Development Consulting got carried out on the campus, wherein students got encouraged to set career goals for their future. In this event, senior students brought in video presentations, which had a large impact on the freshers. The coordinators from the different courses indulged in deep conversations with the students, to help them with their queries. Prof. Deepti Sadvelkar, Prof. Aruna Singham, Prof. Nikhil Mane, Prof. Shivani Mathur, Prof. Surya Prakash Singh, and Prof. Suraj Kumar Dubey, played an active role in the grand success of this event. This event intended to develop a sense of commitment, and responsibility for the overall development of the students.

ASHADHI EKADASHI

Like every year, the college celebrated Ashadhi Ekadashi on the 12th of July, 2019. Ashadi Ekadashi is the day, when lakhs of Varkaris, from all parts of the country, especially, from the state of Maharashtra and Karnataka, gather at the spiritual capital of the state, Pandarpur. They gather to seek the blessings of their chosen deity- VittalRakumai.

The college organized a Dindi Yatra after offering the prayers to Lord Vitthal. The Varkari women energized the atmosphere with their traditional dance. Adding to the celebrations was the fact that the college had successfully completed providing quality education over a span of ten years. Students got actively engaged in the celebration of Ashadhi Ekadashi and DindiYatra, by creating awareness about women empowerment, and their current status in society. Issues of women got highlighted, with the use of posters and slogans in the nearby vicinity of the college.

The programme got believed to have helped reprogramme the mindset of modern-day women in the college. Prasad distribution and Mangal Aarati got carried out to appease Lord Vitthal. All teaching and non-teaching staff members contributed to the success of the event. It got regarded as an important activity to help every girl student realize their value and importance in society.

GURU POORNIMA

The festival of Guru Poornima got celebrated in the college on the 16th of July, 2019. A day to be grateful for one's life and honour the wisdom that life has to offer. When one understands how wisdom has transformed their life, the feeling of gratefulness surrounds them. Guru Poornima celebrates this feeling of gratitude that one experiences. On Guru Poornima, many students from the college offered their respect for the heartfelt education that they have received, under the guidance of their teachers. The Principal, Dr. Jitendra Aherkar, told students that Guru Poornima is all about valuing what life has taught them over the years. Wisdom is there in each, but we must direct light into our own lives because wisdom dawns out from the darkness.

On the campus, students offered their gratitude to their Gurus. The college had organized a Greeting-card making competition for the students to express their gratitude for their Gurus. Asst. Prof. Rajat Bandopadhyay, Asst. Prof. Dinesh Chotrani and Asst. Prof. Nikhil Mane were the judges for the event. The experienced panel of judges, after a tough call, zeroed down on the winners of the Greeting-card competition:

1st Prize: NeamatMohd Akbar- TYBCOM

2nd Prize: RuchitaHasam – TYBMM

3rd Prize: Kinjal Patel – FYBCOM

MOTIVATIONAL LECTURE BY MONISHA DOLEY

The college had triumphantly conducted motivational speeches by eminent speakers for the first-year students on the 20th of July, 2019. The college had invited, Ms. MonishaDoley, an Indian television actress and model, who was the first to win Crafts Villa Miss Ethnic India-2015. She is also the author of the book, Get High on Spirit, a guidebook to help one transform from feeling stuck to a place of complete personal freedom and miracles. She is also a confidence coach and TEDx speaker.

Her motivational speech consisted of explanations in detail on how to develop the confidence to help achieve by commitment towards one's ambitions through discipline. She emphasized how good habits like exercise, meditation, etc. help in achieving life goals. Proper dedication provides one with the mental toughness required in handling tough situations of life. She guided the students on how to focus their energies in the right direction. The students appreciated the new insights and knowledge gained from the speech.

The day was truly inspirational as the students were able to see the larger picture of life. They felt inspired and motivated to do well in life and with that determination and focus, the students left for the day with a positive mindset.

TALENT HUNT (2019-2020)

“Your talent is God’s gift to you; what you do with it is your gift to God.” -Leo Buscaglia

Youngsters have an ocean of hidden talent amongst them, and that got displayed at the college on the 23rd of July, 2019, at the “Talent Hunt” Competition. It is truly said that great abilities develop and reveal itself increasingly with every new assignment.

Students of the college got exhilarated from their active participation in the Talent Hunt Competition with enthusiasm. The main agenda behind organizing such competitions is to nurture the natural pre-existing qualities of students, which helps in the overall personality development of the students.

The competition included the following categories: Debate, Elocution, Story writing, Solo singing, Group singing, Solo dance, Group dance, Rangoli, Mehendi, Nail art, Collage and Photography & Poster making Competition. Dr. ArunaSingham, Mrs. Shivani Mathur, Mr. Rajat Bandopadhyay, Mr. Nikhil Mane, Mr. ShantaramIyyer, and Mr. Javed Shah, were the judges for the Talent Hunt competition.

This was an opportunity for many students displayed their colossal talents through influential speeches, creative designs, and artistic presentations. The Judges had a brainstorming session to decide on the best performances. At the end of the event, winners were announced. The programme ended with a vote of thanks by the Cultural In – Charge Asst. Prof. SonaliShiralkar.

ORIENTATION OF CERTIFICATE COURSES- BUSINESS ADMINISTRATION & OFFICE ADMINISTRATION

Two new certificate courses, one for Business Administration and the other one for Office Administration had been introduced in the college under the guidance of the Principal, Dr. Jitendra Aherkar, in collaboration with the University of Mumbai. The said courses received an overwhelming response from the students with 40 students enrolling themselves for the above-mentioned courses. The college had organized an orientation programme for these courses on 6th August 2019.

These Certificate courses provide candidates a platform for building their competence in managing their day to day activities surrounding the administrative duties at their future workplace. The students were offered a platform for handling the general responsibilities of the office and for carrying out the effective management of staff and resources.

The course enables students to opt for jobs at banks, PSUs, public sector organizations, academic institutions and many more options available. The overall aim of the program is to spread awareness amongst the students so that they can take a call and put in their efforts to become competitive taskmasters.

A VISIT TO THE FILM AND TELEVISION DIVISION

The college had organized a day's visit on 8th August 2019 to the Arena Arts and Film Division India. Arena Animation is the Animation and Multimedia education arm of Aptech Ltd. Over the past 23 years, Arena Animation has trained more than 450,000 students. The company is headquartered in Mumbai, India and has education centres in over 20 countries around the world. The students visited the Arena Animation center and the head of the Arena center spoke to the students regarding the different certificate courses, and career opportunities in the animation and VFX industry.

The visit then continued to the Films division of India, Pedder Road, to understand the International and National Films, short films, Documentary - film making styles. Films Division of India was established in 1948 to articulate the energy of a newly independent nation. For more than six decades, the organization has relentlessly striven to maintain a record of the social, political and cultural imaginations and realities of the country on film. It has actively worked in encouraging and promoting a culture of film-making in India that respects individual vision and social commitment. Having such credentials to its arsenal, the Films division was believed to have truly enhanced the knowledge of students from the perspective of understanding the technicalities of films and media.

The visits had been successfully organized under the guidance of Asst. Prof. Nikhil Mane. The purpose of this visit was to provide practical insights into the functioning of the industry, which was successfully achieved.

The prize winners for the competition were as follows:

1st prize: - Sakshi Singh

2nd prize: - Khushbu Solanki

3rd prize: - Vanshika Sinha

YOUTH FESTIVAL

The youth festival aims to propagate the concept of national integration, spirit of communal harmony, brotherhood, courage and adventure amongst the youth by exhibiting their cultural prowess in a common platform. Youth festival or Yuva Mahotsav is an inter-collegiate cultural competition conducted by the University of Mumbai. It promotes culture amongst the students in the fields of dance, theatre, music, fine arts, and literature. The competition was conducted in nine different zones with elimination rounds and the winners of the zonal rounds participating in the final round.

Finally, the 52nd Youth Festival of Mumbai University- “Yuva Mahotsav” 2019-2020 for Zone III was held on the 16th and 17th of August 2018. The program began with the inaugural function, which was attended by the Zonal Coordinator, Shri. Dadarao Mhaske, with B.L. Amlani's Principal, Dr. Jitendra Aherkar and the BMS Co-coordinator, Deepti Sadvelkar.

There were nineteen different events held and managed in a disciplined manner. The college had successfully been able to provide all the facilities as expected out of a host college- beginning with registration, arrangements of the individual venues with sound systems and other logistics, taking care of the hospitality of the guests

SYNOPTICS TECHNOLOGY LTD- PLACEMENT DRIVE

The Placement Cell of the college had another fruitful year of placements in the academic year 2018-19 which saw various companies approach the college in their hunt for talented candidates for their organizations. Each year, the college invites and hosts companies on campus to hold recruitments for the students.

The Placement Cell is headed by the Principal, Dr. Jitendra Aherkar. The college aims to invite companies from various fields to make opportunities available not just for students of commerce section but also students from the arts section. The Placement Cell of our college aims at making available quality placement opportunities for the students.

It acts as an interface between the students of the college and various companies that come for recruitment. Like the previous years, this year also the cell organized several workshops for the students which included a seminar on soft skills development and career-building was held for all final year students for the academic session 2019-20, the cell had been successful in inviting several companies and maintaining a cordial relationship with them. This year, Synoptics Technology Ltd visited our campus for placement drive. The company was ready to pay a good stipend to a student with caliber to perform the task. Rhea Alphonso and Ria Antony got placed as a trainee with the company successfully.

REPORT ON ONE DAY INTERCOLLEGE PSYCHOLOGY SEMINAR

A one-day psychology seminar on “Youth Mental health Contemporary complications” got attended by the BA students at R.D. & S.H. National College on the 27th of August 2019. The main intent was to highlight and make understand the modern-youth of the current mental challenges that teenagers face in the society and how to overcome such challenges with ease.

Dr. Gaurav Kulkarni spoke to the students on topics related to Social Anxiety, Fear of Missing Out (Fomo) in Adolescents. Following this, Mrs. Panna Kamaljit gave a different view on the social topic of “Seeking Validation through Social Media - In Adolescents”. Thereafter, Professor. Meet was able to make the youth aware of the “Commitment Issues and Hookup Culture in Youth”. Followed by Dr. Sharmila Banwat's talk on “The Trivialization of Mental Illness in Pop Culture”. Lastly, Dr. SyedaRuksheda shed some light on “The Accelerated Rate in Which the Youth Is Reaching Maturity Levels (Role of Parents and Peers)”.

The students were enlightened on the new psychological terminologies like FOMO, JOMO and Generation Z. All five speakers shared their valuable knowledge on various topics thus enriching the audience present for the seminar.

REPORT ON VISIT TO RBI MONETARY MUSEUM

A visit to the RBI monetary museum was organized on the 29th of August, 2019 for the BBI and BMS students. Students of BBI and BMS along with the course co-ordinators, Dr. Deepti Sadvelkar and Dr. ArunaSingham visited the monetary Museum. Students were briefed about the evolution of money through a PowerPoint presentation and were explained the functions and role of Reserve Bank of India and why RBI is said to be a Bankers Bank.

Visits to money museums offer young students a great opportunity to understand the past, learn about the history of money, and to understand the importance of saving for their future. Visits to the museum do not need to be limited to a walking tour but can include various workshops where students can learn about different currencies and the history of money.

The museum showed the evolution of currency from barter to coins to paper money and, later, to e-money. It captures the journey of the monetary system in the Indian subcontinent. The coinage section had coins that dated back to the 6th century B.C. RBI Monetary Museum is a unique museum set up by the Reserve Bank of India (RBI), the most important financial institution of the country. There were various galleries in the museum where coins, paper money, and other monetary artifacts are preserved. Students found the visit very interesting and enthusiastic.

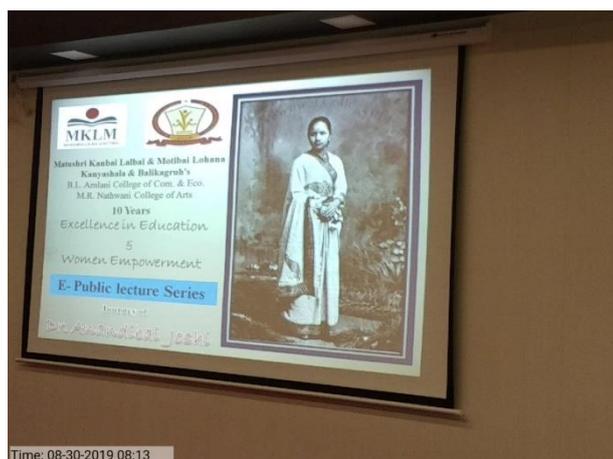

E- LECTURE SERIES- DR. ANANDIBAI JOSHI MOVIE SCREENING

2019-2020 was a remarkable year in the success story of B.L.Amlani College, as the college had completed the 10th year of its successful journey in academia. On the 30th of August 2019, the college had conducted a movie screening activity under the title of an E-Lecture series. To celebrate such a wonderful occasion, the college had arranged a movie screening at Iswar Vijay Hall of B.L.Amlani College.

The movie of a great personality, Dr. Anandi Gopal Joshi was screened for the students. The intention of showing this movie was to make them aware of the value of education and to motivate the students and inculcate positivity towards their studies. Dr. Anandi Gopal Joshi (March 1865–26 February 1887) was the first Indian female physician. She was the first woman from the erstwhile Bombay presidency of India to study and graduate with a two-year degree in western medicine from the United States. She was also been referred to as Anandibai Joshi and Dr. Anandi Gopal Joshi where Gopal came from Gopalrao, her husband's first name. She is referred to as the first female doctor in India.

Primarily, this movie motivates the new generation to focus and hard work for their achievement. The main agenda of showcasing the movie was to make the students opt for a positive approach towards their life and future.

REPORT ON ONE-DAY WORKSHOP AT ECOLE-INTUIT-LAB PRABHADEVI

In essence, typography is the art of arranging letters and text in a way that makes the copy legible, clear, and visually appealing to the reader. Typography involves font style, appearance, and structure, which aims to elicit certain emotions and convey specific messages. The college had organized a workshop on Typography conducted by Ecole Intuit Lab, a French design and visual communication institute on the 30th of August 2019. A and B.M.M students attended a session arranged by Ms. Dhruvi Patel, the Director of Marketing and Admission at Ecole Intuit Lab. She gave a brief idea about the courses offered by Ecole Intuit Lab, along with an informative video played along to describe the institute.

Another session was conducted by Mrs. Falguni Agarwal, a visiting faculty from Ecole Intuit Lab. She shared her knowledge and experience in the advertising and graphic design industry. She spoke about design in visual communication, different teams in typography like scripts, symbols, displays, non-western, black letter, slab serif, sans serif and serif and principles of designs. She explained the importance of mind mapping in typography and various exercises on typography were performed to enhance the understanding of the students.

The one-day workshop was successful in helping the students to understand the importance of advertising, graphic designing and related career opportunities.

CLEAN-A-THON: BEACH CLEANING ACTIVITY

Cleaning the beach improves the coastal and ocean ecosystem by making sure that none of the trash kills marine life or is toxic enough to disrupt the marine life cycle. A beach clean up is also an opportunity to gather fresh data about the state of our coasts and the types of trash that pollutes them. Rajani Foundation India has always been active in social contributions. This year, B.L.Amlani College and Rajani Foundation had taken up an initiative to save the environment by taking “Zero plastic movements and beach cleaning drive” on the 30th of August, 2019 and the 8th of September, 2019.

Poster making competition was organized at the school level, junior college and degree college level on the 30th of August, 2019. Finally, on the 8th of September, 2019, the beach cleaning drive was organized. In Ganapati Visarjan, a huge number of idols get immersed in the sea, and as a repercussion, the beaches across Mumbai get heavily polluted. An enthusiastic bunch of students cleaned up an entire stretch of Juhu beach, Mumbai. Moreover, they had also invited other citizens to participate in the clean-up drive.

Later, everyone present wereenlightened on the feasibility of the use of non-plaster Paris idols or Eco-friendly idols. Though, it was shocking to find that despite the ban on plastic usage in Maharashtra, plastic products were found on the beach. Thermocol is also one of the decorative materials which contributed to massive pollution. It was observed that still, work needs to be done for a better future and environmental sustainability.

A VISIT TO THE BISLERI FACTORY

Bisleri has conquered the Indian market with a huge product collection in terms of packaged drinking water for over two decades. Today, it not only dominates the Indian market but has also reached out to overseas, with its 103 plants across India and neighbouring countries. The green capped bottle is found in almost every store in India. Bisleri is considered to be the best because Bisleri has established a unique, highly reliable Double Ozonisation Process. Ozone is at least 50 times more powerful and 3000 times faster than chlorination to kill bacteria and other microbes. Thereafter, it goes through the sand filtration where many solid impurities are drained away. Such unique procedures opted by Bisleri has contributed to its immense popularity amongst the masses. A visit to Bisleri International, Andheri (East) was organized for the F.Y, S.Y. and T.Y. B.M.S. students to understand the technicalities of running a business successfully since the past two decades. At the Bisleri factory, the first session started off with a PowerPoint presentation in which the History of Bisleri, Advertisements of the Bisleri, reuse of plastic bottles and Corporate videos were shown to the students.

The session was followed by an interaction between the students and the Bisleri staff. In the second session, a visit to the Bisleri Factory was organized. Firstly, plastic caps and boots were distributed to the students.

The students were shown the process of water purification, filling of water in the bottles, closing of bottles, labelling, and the assembling process; which were very informative for the students. At the end, the visit ended with certificates and gift hampers being handed out by the company to the students.

WDC ACTIVITY

The college had conducted a workshop in collaboration with Procter and Gamble. The primary focus of this workshop was to inform girls about various oral and breathing issues, which many are not fully aware of or take precautionary measures. In the daily course of life, often people forget to take care of their oral hygiene and ignorance of this can lead to several diseases. The basic motto of the workshop was to provide the right information about oral hygiene and care.

Students attained knowledge of inexpensive and easy methods to maintain oral hygiene and health maintenance. The workshop ended with girls getting a free sample of a mouth freshener and a Rexona body deodorant.

This initiative encouraged students to take care of themselves with good products available in the market at affordable rates. The institution believes to have instilled a feeling of hygiene essential for a better and longer lifespan free of diseases.

GARBA CELEBRATION

Navratri is a Hindu festival celebrated in the autumn of every year. Navratri is celebrated among Hindus to welcome Goddess Durga in the Gregorian months of September and October. It's celebrated differently in different parts of the Indian subcontinent. Navratri is a festival of happiness, where people perform Garbas on devotional songs that are popular by the names of 'Dandiya Raas' and 'GarbaRaas' to please the Goddess.

The college has celebrated Garba on the 7th of October 2019. The celebration commenced with the offering of prayers to Goddess Navdurga and thereafter by performing Garba. All the students, faculty and staff members were invited to attend the most auspicious part of the event being, Maha Aarti. The event was attended by all the enthusiastic students, faculty and staff members in their traditional attire. Students had also decorated the Aarti thali and capably managed the activities to make the event a grand success.

Students and faculties participated in the Garba dance with full joy and cheer. The positivity and energy combined with the colourful costumes and the dandia folk songs along with the dance made the entire day extremely successful and fruitful. Principal, Dr. Jitendra Aherkar had also actively involved in this event. Following prizes were given to encourage students:

GUJRAT KI SHAAN: RutikaKariya – SYBAF

BEST DANCER: DhanviTakuuani- FYBMS

DIGITAL LITERACY WORKSHOP FOR WOMEN

The digital literacy workshop of women was organized by Gandhi Shikshan Bhavan's Smt. Surajba College of Education in collaboration with Maharashtra State Commission for Women on the 18th of December 2019. The main objective of this workshop was to create awareness amongst women about digital schemes and websites, which was launched by the government for the benefit of women.

The main objectives of the Department are to focus on promoting the survival, protection, development, welfare, and participation of women and children in a holistic manner. The department is responsible for policymaking, formulation of programmes /schemes, implementation of development programmes, and coordination of efforts of both governmental and non-governmental organizations working in the field of Women and Child Development.

Students of the different streams had participated in this workshop in a large number. Ms. Rupali Kapse who is the trainer of Maharashtra State Commission for Women gave beneficial training about different government website and schemes which are launched for the benefits of women for example – Tejaswini scheme, Digital locker, Ujjawala scheme, BetiBachaoBetiPadhao, SABLA scheme, Mahila e-Haat, etc. which was very informative for the students.

TRADITIONAL AND INDO-WESTERN DAY CELEBRATION & CHRISTMAS PARTY

Traditional Day and Indo-Western Day celebrations are an obvious part of one's college life. To make understand the students of the attires and culture followed by different people was the main intention of celebrating the Traditional and Indo-Western Day.

Traditional Day and Indo- Western Day had been celebrated very enthusiastically by the students. On the Traditional day, all students were expected to wear their traditional attires, which led to a mixture of Maharashtrian attire, Gujarati attire, Punjabi attire, the famous Bengali look being worn by the students which added a different vibe to the overall event.

The Indo-Western day celebrations were followed by a DJ party, which was a much-awaited occasion by the students. The students came to college dressed elegantly to celebrate the day. Later, the college gave away prizes for the best traditional dress worn, best Indo-Western outfits and for the best dance performance as well. Since these days were close to Christmas, the college had decided to make it a full-fledged, fun-filled and memorable week for the students and thereby reached on the conclusion of celebrating the Christmas party before the college winds up for the winter break. With the Christmas spirit in the minds of the young students, a party of a colossal length was successfully organized and carried out. After the party, the students parted ways only to reunite soon the next year with a fresh and positive approach towards all aspects of life.

SEMINAR ON EMOTIONAL INTELLIGENCE

B.M.S students of the college had attended a seminar on Emotional Intelligence, using the disc profile on the 3rd of January, 2020, at the University of Mumbai. It was highly important for overall students' development. Mr. Hemant Lawangare, the guest speaker, spoke on influential communication, people management, and disc model.

There is a shred of considerable evidence pointing to its positive role in helping students deal with stress, and develop relationships. Be it a teacher, a parent, or a student itself, becoming well aware of how it's been popping up everywhere recently, in lessons, curriculum, and even in exams, it is important to keep a tab on the latest developments.

Emotional Intelligence plays a vital role in the development of students' development. The group activity session was organized for the active participation of students. Then an in-depth look into the different ways that teachers and teens alike can take this knowledge and use it in practice was focused upon. Emotional Intelligence is a quality that can be 100% taught and learned.

Teaching young people skills such as active listening, self-awareness and empathy can equip them to succeed both, academically and socially.

Mr. Ketan Soni and Mr. Anuj Dhagat were able to highlight the importance of Advance excel, GST, Taxation, Microsoft Office and the various benefits attached to the learning of these courses, apart from the regular curriculum.

Detailed information was provided on the operating system and application management, Certificate course in Computerized Accounting (Tally Operating System), Certificate course in Tax Administration, Certificate course in Capital Market, Certificate course in Business Management. The overall seminar proved to be fruitful as many students showed their interest in joining for the certificate courses.

ANNUAL SPORTS DAY

The much-awaited Annual Sports Day of B.L.Amlani College was held on the 10th of January, 2020. The programme began with the Principal, Dr. Jitendra Aherkar welcoming the esteemed gathering and emphasized the importance of sports in a student's life.

The students entered into the spirit of the occasion in a grand way and with a winning spirit in their hearts. An energizing equestrian display set the tone for the rest of the event. There were many indoor and outdoor activities, which were organized for the students.

The students enthusiastically participated in most of the events. Many events like the relay race, shotput, 100 meters, and 200-meter races, discus throw, sack race, special relay, lemon, and spoon, along with various other fun activities. The events helped the girls realize not only their existing athletic skill set but also to discover their hidden athletic skills.

REPORT ON PRESCHOOL MENTAL HEALTH SEMINAR

Preschool Mental Health Seminar, organized by the School Psychiatry, 2020 at the main auditorium on the 11th of January, 2020 at the Lokmanya Tilak Municipal General Hospital and Medical College, Sion, Mumbai revolved around the mental health of preschool children, age-wise ranging from 3 – 6 years old. Preschool Mental Health Seminar consisted of two sections, each ending with a panel discussion. The first section was chaired by Dr. Y.A. Matcheswalla and Dr.Henal Shah, while the second section was chaired by Dr. Shilpa Adarkar and Dr. Nilesh Shah.

PHYSICAL AND SENSORY GROWTH MOVEMENT AND POSTURE OF THE CHILD

Dr.MehekUttamchandani

According to statistics, 14-20% of children go through mental disorders worldwide. 1 in 15 children get diagnosed with autism. Also, Dr.Mehek introduced some skills that were important for a pre-school child. A typical sign and symptom described as "RED FLAGS", which if noticed in pre-school children, were elaborated on, with the precautionary measures to be considered. Social-emotional Development and Enhancing Physical Development also play an important role in a preschooler's life. Dr.Mehek concluded with the opinion of "Let them play".

TEMPER TANTRUMS AND AGGRESSION IN CHILDREN

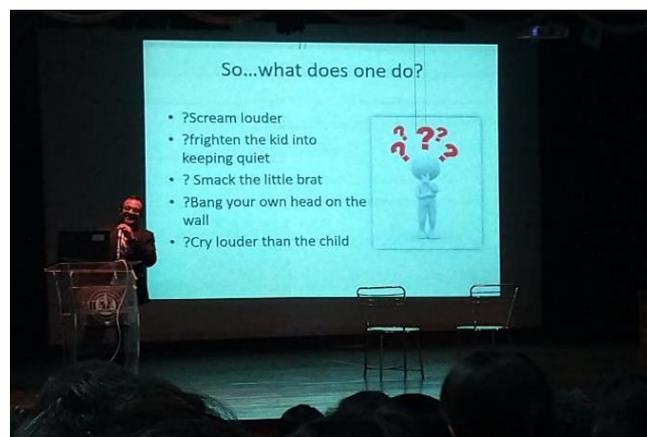

Dr.KersiChavda

According to statistics, 84% of pre-schoolers have temper tantrums, once a month, at the least. Most episodes of temper are considered a normal part of growing up, but if the temper tantrum exceeds, precautionary measures should be followed immediately. The best way to deal with tantrums is to look for what triggers the tantrum. Keeping calm, trying the concept of time out, and trying to talk with the child, helps in lowering the level of the tantrum. Dr.KersiChavda concluded that the need is to calm the child down and not retaliate to the temper tantrums.

PANEL DISCUSSION: CHILDREN AND PRESCHOOLERS -MODERATOR: Dr.Avinash De Souza

PANELISTS: Ms. ShehnazSumaya, Ms. AnureetSethi, Ms. Alisha Lalljee

The panel discussion started with an exercise video, wherein the video consisted of head, shoulders, knees, and toes repeatedly being played on which all the people seated in the auditorium had to imitate the moves from the video. The panelists responded promptly to the queries of the audience, suggesting that a child shouldn't be pressurized with studies. The suggestions also included the need to teach a child of empathy and gratitude. The need to communicate with the child to reduce temper tantrums were also discussed.

WORKSHOP ON - DIGITAL LITERACY FOR WOMEN

B. L. Amlani College of Commerce and Economics & M. R. Nathwani College of Arts in collaboration with The State Commission for Women organized a workshop on “Digital literacy for women” on the 13th of January, 2020.

The State Commission for Women works towards enabling women to achieve equality and encourages equal participation in all spheres of life by securing a woman's due rights and entitlements through “Digital literacy”. The Chief Guest congratulated the Principal and the staff members for the progress made by the college since its inception. The journey of an event never ends because the college celebrates an event each month for the development of its students. The Principal thanked the chief guest, and the function ended, but only to be celebrated soon next year.

VIKHROLI VISIT- BMS DEPARTMENT

The BMS students have attended a training session on “Entrepreneurship development” on 9th January 2020 at future group, Vikholi. It was Joint Initiative between Future Group and The National Skill Development Corporation (NSDC). India is among the fastest growing economies, with the second largest labor force in the world. And yet, India still faces a severe deficit of skilled and employable manpower.

To bridge this widening gap, the above-mentioned institutions offer skill-based training, leading to gainful employment and entrepreneurial opportunities to millions. This skill development programs enable, energize and empower participants; ensuring an economically vibrant society and a holistic community enrichment.

Entrepreneurship Development Programme is a programme which helps in developing entrepreneurial abilities. Sometimes, students may have skills but it requires polishing and incubation. It helps the person to acquire skills and necessary capabilities to play the role of an entrepreneur effectively.

All skilling programs are aimed at creating a talent pipeline that is ready for on-the-job core tasks from day one. These institutions work very closely with State and Central Government on various wages based and self – employment skill development schemes/ initiatives.

Such training programme helps to analyze the business needs, the skills needed are varied and they need to be taken care in the best possible way. This training programme groomed our students not only in a positive way but it is a complete process to make the possible transformation of an individual into an entrepreneur. This programme also guided our students on how to start the business and effective ways to sustain it successfully.

ELYSIUM

The college celebrated its festival, “Elysium” in collaboration with the DLLE Department, University of Mumbai, on the 17th of January, 2020. The event witnessed the participation of around fifty colleges. There were around twenty competitions which included the best of dances, fun-filled skits, high octane dramas, melodious singers, debates at its best, well-spoken elocutions, talented nail artists, research convention, and many such thrilling awe-filled moments filled the campus.

A huge crowd of students turned up, all charged to put forth their best. Dr. Dilip Patil, Director of DLLE unit, provided us with his wholehearted support, as the event provides opportunities for the overall growth of the students. There were different judges for each event, and their suggestions added to the motivation level of the students. The college student volunteers proved to be the backbone, with the help of whom the events could be carried out successfully.

The participants were fuelled up and enjoyed being a part of most of the competitions. The electrified students enjoyed each passing moment. The college festival did come to an end but not without a few encouraging words from our Principal, Dr. Jitendra Aherkar, followed by a prize distribution ceremony. Gokhale Education Society’s- Shri. BhausahabVartak Arts, Commerce & Science College, Borivali (W) won the Rotating Winner Trophy and R.A. Eventually, the day ended, but never to be forgotten for a lifetime for those present there.

THE FREE PRESS JOURNAL VISIT- BMM DEPARTMENT

The student of MKLM's B. L. Amlani College of Commerce and Economics & M.R.Nathwani College of Arts, Mumbai visited the head office and printing unit of the Free Press Journal at Marine Lines, Mumbai on the 20th of January, 2020. Students were first taken to the reporter's room where Mr. Romit (Resignation-PageMaker of the Free Press Journal) took them through the process of news segregation and content. Later, he briefly explained how reporters converted the data into a news format with the help of design software. This software is majorly used in English, Hindi and Marathi newspapers.

Thereafter, the students moved to the printing press unit where the production manager showed how newspaper printing printed on a blank sheet with the help of printed aluminium plate which is a template for the newspaper was done. The plant had completed a seven-year run successfully. The plant uses 1.5 tone paper every day for printing and uses six colours for it. The Free Press Journal subscription in Mumbai is more than five lakhs and the cost of a newspaper is rupees two, which is economical in cities like Mumbai.

During the visit, students were excited to know the process of printing. Each student received a demo copy of the newspaper. The visit helped the students in providing a better insight into the functioning of a press office which may prove beneficial for their future.

JIO STUDIO- BMM VISIT

On the 22nd of January, 2020; the students of MKLM'S B. L. Amlani College, Mumbai, visited the Reliance Jio Office and Studios at BKC. Students were introduced to the venue by Mr. ZenilDumasaya, who is part of the Celebrity Management Department. After the short introduction, students were taken from one department to another department around the office space.

They started with Mr.Vinod's office, the Senior Editor, who has been involved in the editing of many famous campaigns like the Mumbai Indians, IPL team advertising campaign and the HBO premiere of Tom Cruise film, Mission Impossible. When asked, he informed the students about the software of his choice- Adobe Premiere Pro. Later, he also introduced the students to the Reliance's very own music library- Big Bang Music. The students then headed to the Colour Grading Department where they met the heads of the department - Simran and Johnson. The students were introduced to what Colour Grading is and how widely it is used. "Creating emotions with colours", this was how Mr.Johnson defined colour grading. He said that his software of choice was DaVinci Resolve. Moving on, the students met the GoPro Editor of Reliance, Mr.Prashant and the Promotional Advertisement Editor, Mr. Mandar Pradhan, who has played a significant role in the famous Jio Dandana dan advertisement campaign.

Later, the students were taken to the multiple computer graphics department. Six people managed this department. Each one's choice of software ranged from Adobe After Effects to Photoshop to Final Cut Pro. This department played one of the most important roles in the advertisement campaign of IPL and Pro- Kabaddi. After this, the students moved ahead to the Motion Graphics Department where they met Mr. Niklesh, who showed them the ongoing process of the Balaji advertisement he was working on. The students then visited the AR/VR Department where they met Mr. Pravin who is the head of the AR/VR Department. He showed them a few video games he made for the promotion of the IPL games and the Bajirao Mastani game. He introduced the students to the latest VR and AR technology and even let them experience it. The AR/VR Department was a crowd pleaser and the students enjoyed it thoroughly.

The students were then given a short break and then they headed towards the filming studios where they saw the studio set up of Reliance Jio's TV program, Kiska Brand Bajega which airs on CNBV TV 18. The students asked a few questions about the doubts they had after exploring the studio after which the visit concluded.

CONVOCATION CEREMONY & PRIZE DISTRIBUTION

On the 26th of January, 2020, excited students slipped into black gowns, as they gathered for the annual convocation, and prize distribution ceremony at B. L. Amlani College of Commerce and Economics & M.R. Nathwani College of Arts. Mr. Sanjay Deshpande, the chief guest highlighted the importance of life skills and value systems, which are instrumental in becoming an achiever. Dr. Minu Madlani also graced the occasion with her presence. The host for the day, Mr. Dilip Menon, started off the ceremony by speaking on the importance of the convocation ceremony in a student's life. And, as the enthusiasm started filling in the air, the Principal, Dr. Jitendra Aherkar, officially commenced the ceremony with a grand speech.

The dignitaries not only spoke of their personal experiences but also motivated the students. Thereafter, the dignitaries presented the students of B.COM, B.A, B.B.I, B.M.M, B.A.F, and B.M.S students from the batch of 2018-19, their well-deserved convocation certificates.

The names of the prize winners who excelled in the fields of academics, and co-curricular activities during the year got announced. Following which, the students got awarded with college certificate of merits for their outstanding achievements in academics, sports, and co-curricular activities. The overall event turned out to be a memorable one, which will remain engraved in the hearts of the students forever.

GRAPHOLOGY SEMINAR

The lecture on Graphology was organized on the 29th of January, 2020 in the college. Prof. Sunil S. Sangve, HOD of Computer Engineering Department, explained the objectives of the workshop and also delivered the importance of Handwriting Analysis (Graphology).

Handwriting Analysis (Graphology) is an amazing science that helps students to understand and learn about themselves, as well as, others in a better way. By learning graphology one can become aware of their personality, real thinking pattern, behaviour, capabilities, strengths, weaknesses, relations (personal/professional), and much more through handwriting. Graphology and Grapho-therapy can help a person in educational, personal and professional life. Apart from that, it helps to improve concentration, goal orientation planning, and organization, relationships, behaviour, the health and wealth aspects also develop which helps positive thoughts to be instilled in the minds of the students that can help them overcome their fears.

Grapho-Therapy is a therapy given to a person to change his handwriting/signature and to minimize/remove the impact of any negative traits of his/her handwriting. This therapy involves the analysis of a person's handwriting, identification of the negative traits in their handwriting and provides the correct formation of alphabets in handwriting. Similarly, corrective formations in signatures are also suggested based on the handwriting therapy requirements. Grapho – Therapy cannot be considered as counselling. People get confused between counselling and therapy. Counselling is the advice given based on the Graph logical analysis of a person's behaviour, strengths, and weakness, etc. whereas therapy is provided to put correct handwriting style into practice.

Around 150 students and 10 faculties benefited from attending this workshop. The college expressed its gratitude to Mr. Sandip S. Arsude and his team for addressing the audience and delivering valuable content for this workshop. Later on, the expression of gratitude was further extended to include the Management, Principal, HOD, all the teaching staff, non-teaching staff and the students of the computer department for all the help they had extended in successfully organizing this workshop.

ALKESH DINESH MODI INSTITUTE – A VISIT TO THE UNIVERSITY OF MUMBAI

The students from the BMM Department had attended a seminar at Alkesh Dinesh Modi Institute, Kalina, University of Mumbai on the 1st of February 2020. The college has always supported women empowerment. Smt. Chetana Gala Sinha; Founder and chairperson of Mann Deshi Bank and Mann Deshi Foundation.

It's a women's bank, which supports and strives for the upliftment of women while providing them with the required financial stability. The students were made to understand the role and importance of a bank that exclusively operates to cater to the needs of women from the rural/backward areas of Maharashtra. The session was able to successfully instill in the minds of the students, wherein they felt that there is a need for a modest effort to help in the upliftment of women.

MUSEUM VISIT- BMM DEPARTMENT

The students of MKLM's B. L. Amlani College and M.R. Nathwani College of Arts, visited Chhatrapati Shivaji Maharaj VastuSangrahalaya Museum, formerly known as Prince of Wales Museum of Western India, Museum in Mumbai (Bombay), India on the 6th of February, 2020. It was established in 1905, but its opening was delayed until 1922. The museum is housed in a domed building in the Indo-Saracenic style that was completed in 1914. Mumbai's biggest and best museum displays a mix of India-wide exhibits. The domed behemoth, an intriguing hodgepodge of Islamic, Hindu and British architecture, is a flamboyant Indo-Saracenic design by George Wittet (who also designed the Gateway of India). Its vast collection includes impressive Hindu and Buddhist sculpture, terracotta figurines from the Indus valley, Indian miniature paintings and some particularly vicious-looking weaponry.

Its collection includes Tibetan art, Chinese porcelain, Mughal and Rajput miniature, and the Jehangir art gallery, completed in 1952. The jewellery and glass collections are also noteworthy. The natural history section of the museum started with the collection of the Bombay natural history society. The history section contains dioramas, and there is a collection of exhibits from the period of the Maratha confederacy (17th-18th century).

Information is provided in English, and audio guides (free for foreigners) are available in seven languages. Six of the galleries are air-conditioned, offering welcome relief from the summer heat. For a quick historical overview of Mumbai, the new 20-minute Mumbai experience (50) is shown in English five times per day. There's a fine cafeteria at the entrance and the museum shop is also excellent.

The Jehangir art gallery has contributed significantly to the evolution of the surrounding neighbourhood of Kala Ghoda as a center for artistic learning. It frequently hosts public programs including documentary film screenings, workshops, and seminars for students and adults. The museum even hosts post-graduate diploma courses in museology and conservation and heritage studies and conservation.

SEMINAR - COMMUNICATION SKILL AT WORK PLACE

A lecture was held on the 11th of Feb, 2020 on the importance of developing communication skills and the role of communication in one's daily life. The seminar was attended by the first-year and second-year students of B.A and B.Com. The guest speaker spoke about the importance of communication skills and how the same had helped him build his career. After his introduction, he spoke about the ways to succeed in life. The seminar was conducted to provide the students an insight into global exposure and understanding related to the key concepts like dedication, self-confidence, positive attitude, discipline, enthusiasm, hard work and the importance of communication in every sphere of one's life.

Effective communication is an important life skill that enables the students to understand better and connect with the people around them. He also shared that the lack of effective communication inadvertently leads to conflict and frustration in both professional and personal relationships. He suggested ways to increase self-confidence by doing meditation and participating in different activities which will help to remove the stage fear from the minds of the students. The seminar was interesting and allowed everyone to learn many things about infusing creative thinking, speaking English fluently and focusing on one's future. The session ended with a feedback session, where the students asked questions regarding their future.

INDUSTRIAL VISIT 2019-2020

The college organized an industrial visit to Agra, Mathura, and Jaipur. The visit was scheduled for the 18th of February, 2020. There was a huge group of enthusiastic students, consisting of eighty-four students and six staff members.

The excitement among the students was high as many of them were travelling so far for the first time in their lives. The students started having fun by playing games, sharing snacks amongst themselves and offering the same to the teachers as well. Since there was a pantry car in the train the sellers made it a point to see that someone or the other was seen selling snacks to the students. As far as our students were concerned, they too made it a point that someone or the other bought something from some of the other vendor, who used to pass by occasionally. It was a great experience for them, as the day passed by playing games, singing songs and having an overall fun time. The first destination to reach was Mathura on the 19th of February, 2020. However, since this was just the beginning journey, there was a need to board a bus from Mathura station to reach Agra. On our way, we halted at Domino's Pizza to have breakfast and then proceeded ahead to reach Agra by 1:30 pm. Once after reaching Agra, the first visit, which was to one of the Seven Wonders of the World, the Taj Mahal, a monument which is a symbol of love was thoroughly enjoyed by the students.

On the 20th of February, 2020, after having breakfast in the hotel, the group headed towards Krishna Janambhoom, a famous temple in Mathura and thereafter they headed towards Jaipur. On our way to Jaipur, a visit was paid to the ruins of Bhangad which was a very thrilling and memorable experience for everyone.

The next day, that was the 21st of February, 2020, the group visited various places like the museum, Hawa Mahal, and Jantar Mantar. Thereafter, the group headed towards Amer Fort in the evening, and going to the fort was a unique and exciting experience, as climbing up the fort was a real challenge and a thrilling adventure for both the staff and students, alike. On the 22nd of February, 2020, the group visited the Jaipur Dairy Farm, where the group witnessed how the milk gets processed in the dairy industry and how it gets packed into milk packets. It was a very nice learning experience for the students and also an enlightening experience for the staff

UDAAN FESTIVAL-THE FLIGHT OF EXTENSION

The college had successfully hosted the 'Udaan Festival-the flight of extension' on 25th February 2020. Smt. Sheetal Mhtare, the elected corporator, was the special guest for the Udaan festival. Two students had participated in the poster-making competition and the topic chosen was "Women empowerment - stop harassment". Students participated in the street play competition and won the consolation prize at the university level.

Around twenty-two colleges from the Mumbai region had actively participated in the UDAAN Festival (2019-2020) and were able to successfully put forth their creative best. It could be seen that there were sincere efforts in their artistic contributions. Thereafter, Principal, Dr. Jitendra Aherkar, honored Dr. Dilip Patil, Director of DLLE Department, University of Mumbai by inaugurating postal stamps with Dr. Dilip Patil's photo onto the stamps, thereby honouring his esteemed presence.

Principal, Dr. Jitendra Aherkar and Asst. Prof. Sonali Shiralkar were awarded the "Special Contribution Award" by Dr. Dilip Patil, for their efforts towards the development of the students and their contribution to the DLLE Departmental activities. After an energetic prize distribution ceremony, the programme ended with a vote of thanks.

GROOMING AND ETIQUETTE WORKSHOP AT ISME

“Good manners will open doors that the best education cannot.” – Clarence Thomas

Our BMS students had attended a workshop on “Grooming and Etiquette” organized by ISME- School of Management & Entrepreneurship under a trainer specialized in corporate grooming. The workshop got organized to augment the self-image, vibrancy, and personal style for better personalities.

The workshop got held under three sessions for social etiquette, personal grooming, and fine dining and table etiquette session.

In the social etiquette session, the students learned how to interact and converse socially (topics to avoid and what small talks meant), with effective introductions, greetings, body language, and the correct posture (the art of sitting, standing and walking). Personal grooming sessions emphasized the importance of personal hygiene, body/ skincare, and understanding the correct way of dressing.

The fine dining and table etiquette session was the most important of the three-day-long workshop. In it, the girls learned about the protocol and formal procedures in detail. The trainer stressed on the importance of such training programmes and also assured that many more quality programs will be introduced in the days to come for preparing the students to face campus interviews in the near future. Later, it got announced that the placement team of the college will have student representation too so that the future training programs can be organized as per the need of the students.

In the training programme, the students were taught about some good etiquettes to be followed while attending interviews. Tips and guidelines for attending HR interviews were also dealt with in detail. Few frequently asked questions and the effective answers to those questions were discussed.

Trainers also focused on what a group discussion is, how to take part in group discussion, and the Do's and Don'ts in a group discussion. After giving these tips, the students were made to take part in group discussions under the guidance of trainers. The overall workshop helped in the development of the students.

STUDENTS CORNER

one things are just meant to be broken,
Like specks and clocks,
dishes and PROMISES,

When a clock breaks,
It's not only the clock which breaks,
It also breaks the glass, model and barrel too,

Just like the Clock, when a promise breaks,
It's not only the promise which breaks,
It also breaks the trust and heart of a person,

Even after so many attempts,
So many strive,
Things won't be same as before,
Whether it's clock or a person's trust,

i wonder sometimes,
Even after knowing these things,
Why we people give promises,
Why we people take promises,
Just to break them?
Or Just to break ourself?

Yes,
I know,
Broken is beautiful too,
But,
When something is broken by intention,
It's not beautiful,
It's awful!!!

A lesson in Life

Everything happens for a reason.

Nothing happens by chance or by means of good or bad luck. Illness, injury, love, lost moments of true greatness and sheer stupidity, - all occur to test the limits of your soul. Without those small tests, if there would be events, illness or relationships, life would be like a smoothly paved, straight ,flat road to nowhere .

If someone loves you , love them back unconditionally , not because they love you , but because they are teaching you to love and open your heart and feel the things you would have never seen or felt without them!

If someone hurts you, betrays you or breaks your heart , forgive them . For they have helped you learn about trust and the importance of being cautious as to whom you open your heart to.

Make your each day count. Appreciate every moment and take from it everything you possibly can , for you may never be able to experience it again !

1. GREW UP

From arranging my morning tea
To making my supper
I grew up.

From caressing when I fall sick
To pray for my health
I grew up.

From sobbing on my pillow
To wiping off my tears
I grew up.

From staying at home
To visit home once in a while
I grew up.

From hanging out with friends
To promise each other for a meet up now
I grew up.

From missing home
To not let mumma miss me
I grew up.

From being dad's princess
To become a savage girl
I grew up.

Loads of love to all the young boys & beautiful girls out there who stay away from their home. I totally can understand that how much guts it takes to stay away from home for

the sake of our career. Keep going. Make your parents feel proud.

2. QUARANTINE

"Well, its been a long time since I heard the birds' chirp, dogs' bark, wolves' howl, lions' roar", the mother-earth said to nature.

Nature replied in its best possible manner to make earth feel loved.

Busy in our lives, none of us noticed that a venomous phase is coming our way. Nature brought QUARANTINE to us.

Now the humans- cum- animals are supposed to sit back at their respective homes & have their "HAPPY-ME" time. Probably, the epic me time. Human doing blunders to nature never thought if nature would do blunders to them. When humans were rewarded with Covid-19 then why ain't they able to accept the fact that "Karma never missed nobody". Guys, humans have been doing the same since ages like dynamites, the releasing poisonous gases & chemicals for mere experiments, which has affected the nature's family massively. And here humans panicking on loss of their loved ones. "Selfish", its our thing, human thing. Isn't it?

No doubt, these humans can end up eating each other if food crisis arises.

For your sake, you are given this chance to isolate yourself, please do that. Stop being animals. Stop being fools. Knowing that Covid-19 is a pandemic & is spreading through this human chain, avoid roaming around your city. Break this chain. Stay home, safely. Your little cooperation can save a millions of lives. You can save a person, a family.

.& now under this biggest lock down of this era, of this world try to understand the sensitiveness of the situation. I plea to you all to stay at home & take health measures.

3. 'Cause the Angel is a Girl

The tighter she holds onto it,
The faster it slips.

The closer she goes,
The farther it moves.

No it's not about love things,
But about life things.

It's about her dream,
It's about her passion.

Which might be taken away,
By reminding her duties towards her family.

'Cause being a girl is still a curse
In this so-called modern world.

“BL AMLANI COLLEGE”

THE TEMPLE FOR THE PRIDE OF GIRLS AND WOMEN

We listen people saying that *ijjat aurat ka gehana Hein*. Being a girl is not easy when you are you surrounded by public who know to say lots of things about girls and their respect but there are few who really mean this and can make you learn and practice this. Have you ever come across any such institution?

Let's have a look at the temple of pride. Yes my friends in the city like Mumbai its not an easy task to run a big college and dedicate all yr hard work, the finance and most importantly your precious time and patience just for girls and women.

when it comes 'BL AMLANI COLLEGE' They don't only teach us the basic syllabus but girls are provided all sorts of opportunities in all fields and the best part is there is no one to judge you by your gender there is no one to tell you that *tu ladki hein tu Yeh mat kr tu woh mat kar*. In the year 2019. I entered this college and today after a year in start of 2020. I get an opportunity to write about my college and thank the entire institute for doing this precious work of taking the responsibility of graduation and post-graduation of all the girls and providing them all the opportunities along with the education.

When we come to Mumbai for our further studies we are very keen to complete our graduation from Mithibai and I was one of them who wanted to go with the flow but today i am in one of the top women's college where all the bachelor courses are provided and the best part about our college is that we also get support from the management for preparing and appearing professional and competitive examination like CA, CS, IAS, etc.

Its a girl pride to study in the college where girls are treated as leaders and rulers of the world.

A big thank you to the institution and the whole Management team on behalf of each and every Girl who is enjoying all the special opportunities

Of the renowned girls college of Mumbai

Three things to see –
Health, Happiness and Harmony.

Three things to care –
Purety, penny and piety

Three things to admire –
Dignity, Honesty and Beauty

Three things to conquer –
Wealth, Want and Evil

Three things to deserve –
Love, Freedom and Truth

Three things to avoid –
Illness, Talkativeness and throughness

Three things to govern
Temper, Tongue and Treasure

Three things to hate –
Formality, Falsity and Flattery

Three things to Care –
Kindness, Pity and Non-violence

Three things to wish about –
Life, charity and Health

Three things to have –
Justice , goodness and conscience

Three things to take delight in –
Frankness, Freedom and Fraternity

Summer Poem

The Sun is hot and shining bright
Trees and birds are full of delight
Fruits and Flowers are in Full bloom
The bright light wipes away all the gloom
The Sunshine Spreading cheer around and round.
Wrapping in its warmth is almost here Life dances and sings in all its gear.

“GURU”

When we hear about this holy word, we often
Make a mistake and replace this special word
With a teacher or professor. But the real meaning
Of word “GURU” is different. Teacher is a person
Who teaches us the syllabus to be followed in the
Particular semester and max to max you get little
Morals and lots of motivation but “GURU” the
Meaning itself has the answer. He is the
Influencer of your life. Its not an easy task to
Influence someone to lead a better life and
Furthermore its not everyone’s cup of tea to find
Out that spiritual person or an influencer, most of
The time he might be with us or for us but we
Won’t be able to recognize coz despite knowing
The meaning we will neglect it nd consider him
As a normal professor or a stupid fellow entering
The doors of privacy of our lyf without our
Approval. The other imp things is our guru is not
Always a teacher or a professor or some grt
Scholar as this are not the qualities to be
Developed they are inherent so anyone around
Us can be our preacher whether he may be our
Frnd or a sibling or any one from our family too.
So learn the difference nd find your preacher to
Lead a better life with happiness and success.
Ending the article will like to pay a tribute to all

The Guru with a small para of Sholka

"क्या स्त्री का काम है सब से आसान?
(कोरोना के चार दिन बाद पुरुषों की हालत)
बस हुए हे अभी दिन चार,
बैठे हो धर के हाथ पे हाथ,
लेकिन थक तो गये हो ऐसे,
जैसे घर के अंदर हो सालो साल,
"अरे, घर का काम तो जैसे चुट्की मे तमाम",
ऐसा बोलना तुम्हारे लिये तो है बहोत आसान,
आज़मा के देखो अपने दोनो हाथ,
बिना पसिना बहाये जनाब,
हां माना, मुश्किल है पैसा कमाना,
तो फिर सब्जि-रोटी भी तो आसान नही है बनाना,
हां नही मिलते पैसे बिना पसिना बहाये,
तो रोटी-सब्जी भी ऐसे ही थोड़े बनते है सिर्फ घी बहाये?
बर्तन, कपडे, जाडु, पोछा, और ना जाने क्या-क्या?
लेकीन छोडो, जो समजे ही ना, उसे समजाये क्या-क्या?
बच्चों को पढाना, बुढो को समजाना,
और फिर आपका काम से आके ताना सुनना,
तुम तो पुछ लेते हो, "आज दाल मे नमक क्यु कम है?
जवाब भी नहीं होगा आपके पास,
जब वो पुछने लगेगी "आज पैसे कम क्यु कमाये?
दुध उबालना, दही जमाना,
अरे आप तो रेहने ही दो जनाब, आपको तो सब्जि लाये हुये भी हो गया जमाना,
अगर हाथ नहीं बटा सकते,
तो मुह मत चलाओ,
"womens day" के नाम पे चर्च मत दोहराओ,
कुछ करना ही है तो हाथ बटाओ,
हिम्मत बढाओ, कन्धा मिलाओ,
और उसको अपने बेमिसाल अस्तित्व का एहसास दिलाओ.

हक तो खो बैठी हु,
पर फिर भी पुछ लेती हु,
कैसे हो?
.
जवाब की आश तो नही है
पर फिर भी मान लेती हु,
ठिक ही हो.
जानती हु,
गुनाह किया है मैने,
मानती हु,
.
किसी और के आशियाने मे
ठहरने के सपने सजाये,
शायद अपना ही ठहराव खो बैठी
हु मै,
.
तोड़ने किसी और की चुप्पी
शायद खुद को ही चुप कर बैठी
हु,
.
किसी और के सपनो को सजाने,
शायद खुद के ही सपनो को जला
बैठी हु,
.
किसी के सुर सुनने मे
शायद अपना ही गाना भूल चुकी
हु मै,
.
किसी और का हाथ थाम के चलने
के सपने सजाये,
शायद खुद का ही हाथ छोड़ बैठी
हु मै,
.
किसी अपने की तलाश मै
शायद अपने आप को ही खो बैठी
हु मै,

किसी और को थोडा ज़्यादा खुश
करने की दौड मै,
शायद खुद को ही उदास कर बैठी
हु मै,
.
जानती हु,
माफ़ी काफ़ी नही है,
पर माफ़ करना मुझे,
.
पुरी कोशिश करुगि,
कोशिश करने की,
वादा है खुद को,
खुद से भी ज़्यादा.
.
मै एक बार फिर से बनजारा
बनुगी,
पर इस बार
तुझे खोजने को निकलुगी,
रास्ते मे वो हर गाना गाउगी,
जो खुद को पसंद है,
..
वो हर सपना देखुगि
जो हर सपने से उचा हो,
वो सपना,
जो अपना खुद का हो,
.
खुद का हाथ पकड के,
खुद की खामोशी तोड के,
खुद को सब से ज़्यादा खुश कर
के,
खुद का अपना घर बनाउगी,

पर,
.
my dear self,
.
बस इस बार माफ़ कर दे मुझे.
.
तु उठ, रात खत्म होने को है,
सुबह होने को है
क्योंकि पुरी दुनिया सो रही है,
और तु कुछ कर सकता है
क्योंकि तेरे सपने बहोत बडे है,
लेकिन तु लोगो से डरता है
और क्या है,
अगर जल्द ही सुबह हो गयी तो
तु बहाने बनायेगा कि "लोग क्या
कहेगे",
"लोग मेरे बारे मे क्या सोचेगे,क्या
बोलेगे,
और फिर तु अपने सपनो से दुर
भागेगा,
तो तु उठ,
अपनी मन्जिल कि और आगे
बढ़, क्योंकि तेरे सपने बहोत बडे
है,
लेकिन तु लोगो से डरता है,
तो तु उठ,
रात खत्म होने को है
सुबह होने वाली है,
क्योंकि पुरी दुनिया सो रही है
और तुजे कुछ करना है,
क्योंकि तु कर सकता है.

M. R. NATHWANI COLLEGE OF ARTS

Annual Report- (2020-21)

One of the joys of preparing an annual report is that it gives us the opportunity to look back and be thankful for all that has been accomplished. Our special Thanks to our management members, All Parents & dear students for their support & cooperation. Matushri Kanbai Lalbai Motibai Lohana Kanyashala & B.L.Amlani College of commerce and economics along with M.R.Nathwani college of Arts kept no stone unturned during pandemic crises. Keeping the view of lockdown situation in the country, the college initiated its first a webinar on 27th April 2020 on the title “Making Students Industry Ready” along with Teach Us Organization. The students were motivated and inspired for the overall development by not just focusing on academics but also on several self- developmental co-curricular activities. The College also conducted few certificate courses for students mainly on **Peace Education, Personality Development and Cyber Security**. Our College proudly announces another feather in its cap as it hosted four conferences and Seminar in the said academic year. Stress, anxiety and loneliness were the top challenges most students identified they were dealing with during the fall semester, and those issues outweighed stressors such as struggling financially or managing academic workload. Thus the Institution organized Stress Management webinars along with Bhramakumaris. On the 29th of April **National Seminar on “Promoting Capacity Building for Rural Youth”** was organized in collaboration with National Bank for Agriculture and Rural Development. It is followed by **another International conference on 15th May** on “Financial Inclusion for Women Empowerment”. An International Conference on Impetus of Globalization in New Normal along with International Institute of Cambridge, United Kingdom. The college also received a financial assistance from the National Commission for Women, New Delhi to arrange a national Webinar on Empowerment of Women in Digital Era. An Offline Conference was also organized in the month of March on Aatmanirbhar Bharat to highlight the views of our Hon.Prime Minister. More than 100 webinars were organized during the academic year focusing mainly on Health and Nutrition, Yoga & Meditation, Cyber Ethics and Women Issues. This would have not been possible with the support from other institutions. Keeping these views in mind, the college signed MoU with **Rani Durgavati Vishwavidyalya, Jabalpur, Madhya Pradesh, Dayanand Arya Kanya Mahavidyalaya, Nagpur, Reena Mehta College of ASC and Management Studies, Bhyander, Shailendra College of Commerce, Dahisar and Patuk Gala College of Commerce, Mumbai.**
